Founded in 1972, the Illinois Association of Snowmobile Clubs was formed to create a strong, unified voice for Illinois snowmobilers. The IASC proudly promotes safe and responsible recreational snowmobiling, while encouraging snowmobilers to keep the general welfare of both participants and non-participants in mind.

The Illinois Association of Snowmobile Clubs sponsors numerous activities that benefit Illinois snowmobile club members and non-members. IASC volunteer members receive snowmobile safety instructor training from the Illinois Department of Natural Resources (IDNR), and then offer classes throughout the state. Members of the IASC receive a subscription to the Illinois Snowmobiler. The Illinois Snowmobiler is a magazine packed with informative trail features, timely events coverage, and national and local news about snowmobiling that you would not read anywhere else.
